Messrs Chapman.

Yours bids for coins, for sale by me, received, in an envelope postmarked "Kennebunkport Me" If that is the best you can do I am indeed very much surprised. bids too low on gold coins -

can get more from Scott & Co N.Y. and from local dealers

Can't afford to buy gold coins from you at premium and then sell them back to you at a discount.

Nothing in that sort of business for

Yours Truly
